A MESSAGE FROM THE CAMP PRESIDENT

In the days before radio communication, ships required three instruments in order to know their location: a compass to know the direction they were heading; a chronometer to know their east/west location; and a sextant to know their north/south location. It was absolutely necessary that these instruments be precisely calibrated, and that was something that was done every time the ship was in port. For each of us, campmeeting is our port. Here we get our spiritual instruments recalibrated and reset. Then when we are on the high seas again, facing all the conflicting claims and demands that would blow us off course, our instruments will not fail us, but point us straight toward our final harbor. Come to Campmeeting!

John Oswalt

Eaton Rapids Camp Meeting

DON'T MISS THE INFANT, CHILDREN, AND YOUTH PROGRAMS

The English Memorial *Nursery* welcomes children ages infant through three. The nursery is open 15 minutes before and after each service.

Children ages 4, 5, and 6 attend our *Beginnergarten* program in the building adjacent to the Nursery. Beginnergarten is held in the mornings and evenings at the same time as the Children's Program.

The *Children's Program* ministers to kids entering 1st through 6th grades. Each morning the kids begin the day with craft time, followed by Bible lessons presented in a fun and creative way. The evening program is designed by our Christian magicians and artists to bring age appropriate worship to the children.

The *Youth* will experience great programs and activities, with teaching and preaching that engages both heart and mind with the Word of God. Youth enrolled in the program may choose to stay in the Youth Dorms.

Find more information on the web!
